INTRODUCTION

Drinking Water at Maldives

PROJECT

One more Desalination Plant for Drinking Water 300m³/day, was delivered by TEMAK at a 5 * hotel in the Maldives, which feeds 110 villas and suites, but also other parts of the hotel such as the spa, the restaurant, playground, etc.

Since 1980, TEMAK has been at the side of Tourism sector covering their needs with reliability and consistency, having a full range of certified water treatment products.

Thanks to the systems manufacture in Greece and the high expertise of its specialized staff, TEMAK is able to offer total water treatment solutions, from study and design to manufacture and installation of required systems.

The 750.000 m³/day of clean potable water or water for general uses, produced daily from TEMAK's installed systems in Greece and 26 abroad countries, constitute the proof of our experience and know-how in water treatment.
